**Specification**

**Handle**

Zinc die casting

• Powder coated

- Black, RAL 9005, textured finish
- Orange, RAL 2004, textured finish
- Red, RAL 3000, textured finish
- Silver, RAL 9006, textured finish

• Chrome plated

• Uncoated

Tumbled

- SW
- OS
- RS
- SR
- CR
- RH

**Insert / Retaining screw**

Steel

Zinc plated, blue passivated

RoHS

Adjustable hand levers GN 300.2 are ideal whenever parts have to be clamped in a confined space or in a particular lever position. The centre insert is connected to the lever via serrations which can easily be disengaged.

Pulling the lever, disengages the serrations and allowing it to be swivelled to the ideal clamping position. On releasing the lever the serrations automatically re-engage.
