 • Black, RAL 9005 ● S
 • Orange, RAL 2004 ● O
 • Gray, RAL 7035 ● G

Insert

Steel
 Zinc plated, blue passivated

RoHS

On request

Handle in colors of GN 300

Adjustable hand levers GN 303.2 are ideal whenever parts have to be clamped in a confined space or in a particular lever position. The centre insert is connected to the lever via serrations which can easily be disengaged. The releasing button is a design element that offers an easy disengagement. Its use is limited to applications where dismantling of the lever for installation is not required.
