Knurled Nuts

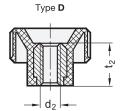

Plastic, Bushing Stainless Steel

Criginal design BT-SST / SST-FP

- D With threaded through bore
- E With threaded blind bore

Specification

Knob

Plastic, Polyamide (PA)

- Reinforced
- Operating temperature -30 °C to +130 °C
- Black, matte finish

Bushing

Stainless steel AISI 303

RoHS

Knurled nuts GN 590.5 are used for quick, tool-free mounting or adjusting of fixtures and devices.

With the stainless steel threaded bushings, they are also suitable for applications that place increased demands on the corrosion resistance of the components used.
