

**Assembly example**

s ∅ Linear actuator	b	h	Length l
30	40	43,5	12
40	50	56,5	12
50	60	61,5	12

**Specification**

- Aluminum  
Matte, ground finish
- Grub screw DIN 913  
Stainless steel AISI 304
- RoHS

**MT**

**Information**

Torque supports GN 296.2 are required for attaching a position indicator or a clamping plate to configurable square linear actuators.

The torque supports are made of aluminum and are non-positively clamped to the linear actuator. With the open radial groove on one side, they prevent the position indicator or clamping plate from twisting.
